

THE WHITE TIGER

MEET BALRAM HALWAI, THE 'WHITE TIGER':
SERVANT, PHILOSOPHER, ENTREPRENEUR, MURDERER...

'Dazzling... With *The White Tiger*, Adiga sets out to show us a part of [India] that we hear about infrequently: its underbelly... Welcome...to an India where Microsoft call-centre workers tread the same pavement as beggars who burn street rubbish for warmth... It's a thrilling ride...'

David Mattin, Independent on Sunday

'Blazingly savage and brilliant... What Adiga lifts the lid on is also inexorably true: not a single detail in his novel rings false or feels confected. *The White Tiger* is an excoriating piece of work [that] also manages to suffused with mordant wit, modulating to clear-eyed pathos.'

Neel Mukherjee, Sunday Telegraph

'[An] extraordinary and brilliant first novel... At first, this novel seems like a straightforward pulled-up-by-your-bootstraps tale, albeit given a dazzling twist by the narrator's sharp and satirical eye for the realities of life for India's poor... But as the narrative draws the reader further in, and darkens, it becomes clear that Adiga is playing a bigger game...'

Adam Lively, Sunday Times
